BISHAL TIMILSINA
WEB DEVELOPER

PROFESSIONAL SUMMARY

Aspiring web developer with a strong foundation in front-end and back-end development. Equipped with a basic understanding of building dynamic, user-friendly web applications using modern technologies like React, Node.js, and MongoDB. Enthusiastic about learning new tools and frameworks, and actively seeking an internship to contribute to impactful projects.

WORK EXPERIENCE

Web Developer Intern (Seeking Opportunity)
[Add a placeholder for where you'd intern]
- Collaborated on building responsive and dynamic web interfaces using HTML, CSS, and JavaScript.
- Contributed to team projects utilizing React, Redux, and React Query for state management and API data handling.
- Assisted in back-end development with Node.js and database management using MongoDB and MySQL.
- Implemented UI components and themes using Tailwind CSS and ShadCN UI.

Looking forward to leveraging my skills and experience in a dynamic work environment to contribute to innovative web development projects. Open to learning and adapting to new technologies and methodologies to enhance the user experience and streamline web solutions.
